MAMABABY MIDWIVES DID...

At MamaBaby Haiti, we provide compassionate, life-saving care to mothers and babies. With skilled Haitian midwives, free maternity services, and vital community outreach, we are ensuring a healthier, brighter future for Haiti's families - one birth at a time.

SAFE BIRTHS
ATTENDED

These births represent the trust that women place in our care. Thanks to your support, they have access to trained midwives and a safe environment to welcome their babies into the world.

OUR BIRTH CENTERS MAKE A DIFFERENCE

Increased capacity at our new, larger birth center and midwifery school in Cap Haitien, Haiti, has enabled us to double our impact. Some months we had over 130 births at this location!

We now are working on expanding our birth center in Lascahobas, Haiti, which is bursting at the seams and had over 60 births in December 2024!

TRAINING MIDWIVES FOR **HAITI'S FUTURE**

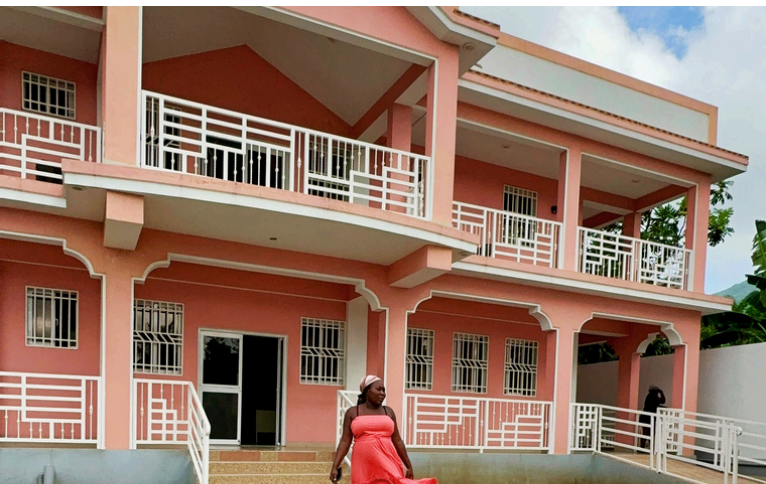

In 2024 the World Health Organization specifically stated that investing in midwifery care represents a cost-effective and urgently needed solution to save and improve the lives of women and newborns globally.

In its two-year program, MamaBaby trains Haitian nurses to become midwives. Since our schools inception in 2016, we've graduated 26 midwives who will save the lives of women in their communities or work at MamaBaby birth centers!

JOIN US IN MAKING A DIFFERENCE

Every donation, every volunteer, and every advocate brings us one step closer to a world where no mother gives birth alone.

Together, we are delivering hope, care, and a healthier future for Haiti's mothers and babies.

WE CHANGE THE WORLD—TOGETHER. THANK YOU!
